**Points to consider:**

A college course (PC) place is **not** confirmed as a course choice until you have applied direct to the college online and had your place confirmed by email from the college.

More information about these college courses can be found [here](#).

Campus classes at other secondary schools are in a paler font. The school delivering is indicated in brackets, pupils will be required to make their own travel arrangements, there is no funding provided for this.

Pupils and parents should be aware that courses that state 'PC all day Friday or part day Friday', will result in pupils missing class contact time with other SQA subjects on their Friday school timetable as a result.
