

## **INFORMATION SHEET – MONDAY 25<sup>th</sup> MARCH 2024**

### **Careers Information**

**Murrayshall** - the high-end resort near Scone, is offering pupils aged 17+ casual shifts in its food and beverage section. The positions commence in March and April. If you are in S5 – and either currently 17 or nearing it – and would like to obtain good, paid work in this quality end of the hospitality industry from now until the end of S6, speak to Mr Letford in room 19A immediately. There is certain to be all of interest in this from pupils in other schools, so time is of the essence.

**The Army** has announced details of its 2024 three-night/four-day residential work experience programme. The programme gives young people a thorough grounding of what the Army does and what types of roles can be had within it. You do not have to want to join the Army or be mega fit to participate. This is simply something that helps young people get a better understanding of the Army in general.

**Estates That Educate** - S2 pupils will be able to visit Abercairney Estate near Crieff on **May 23rd** to undertake a day of fun activities that will help make them aware of the sheer variety of jobs available on estates. In previous years this has proven to be a very enjoyable and worthwhile day. You need to give your name to Mr Letford if you wish to participate. This day is recommended very highly.
