

## **NPA Acting and Performance – Level 6**

The NPA in Acting and Performance provides further study for students with relevant experiences, developing skills of self-discipline, commitment, collaboration and creativity: skills which contribute to the growth of the individual. Pupils will develop these skills through:

- rehearsing
- performing
- demonstration of theatre skills in performance
- demonstration, in practical terms, of knowledge and understanding of the roles within a theatre production team
- evaluating
- working collaboratively with others

This course is perfect for those with a passion for performance as an addition or alternative to Higher Drama.
