

## NPA in Web Design

### **COMPUTING – NPA in WEB Design – Level 5 (S5 and S6 only)**

Consisting of 3 SQA credit units

- Website Design and Development
- Website Graphics
- Interactive Multimedia

The purpose of the NPA Web Design is to allow learners to develop the technical skills required to create websites and graphics, and add interactivity to websites. There is also a focus on the importance of the website developments process. The qualification will offer learners foundation skills in web design, and provide a suitable qualification to permit progression to a higher level of study, such as a National Certificate in Computing with Digital Media, or similar awards at an appropriate level.
