Rights Respecting School Ambassadors Raffle

The Rights Respecting School ambassadors are hoping to raise money for Letham 4 All and Water Aid by running a raffle. We are looking for new raffle prizes. If you have any toiletry sets, boxes of chocolates etc. that you don't want, please hand them in to Ms. Macleod in R4 by the end of May.

Many thanks!

Young People's Commission Survey

The Love Letham project aims to make Letham the best place for children and young people to grow up.

We need YOU!

The Young People's Commission is doing research into where young people feel safe or unsafe in Letham and why they feel this way. If you live, work or study in Letham we would love to hear from you. We are specifically interested in spaces outside your home - parks, community spaces, and shops.

Prizes!!!

As a thank you for sharing your thoughts with us, all those young people who live, work or study in Letham and complete a survey will have the chance to win £20 vouchers. To be entered into the prize draw, please see Chris Forber in Room 44 to give your name. We will only use this information to contact you if you have won.

About you!

It is up to you if you want to take part in the survey. You can change your mind and stop taking part at any point. Details about you will be kept private.

The information and ideas you give us in the survey will be used by Love Letham to understand where and why young people feel safe when out and about in Letham. This will help us target the areas where young people don't feel safe and improve them.

You can access the survey via this QR code or this link
