

INFORMATION SHEET – MONDAY 29th APRIL 2024

Perth City Secondary Schools Bake off Competition 2024

This Competition is open to secondary school pupils, S1-4. Each School is invited to put forward up to 2 entrants to be selected by the school.

The school event will be held on Tuesday 14th May 2024 P3-5 in Home Economics.

The challenge is to bake and decorate a 6 portion dessert, tart or cake to specifically include **local Perthshire strawberries**.

You will be given set up time from 10.45 to 11.00. Baking shall start at 11.00, the competitors will be allowed a maximum of 2 hours to make and bake and present the finished dish for judging.

Any pupils interested in this competition should see their Home Economics teacher or collect an application from the Home Economics department.

Young People's Commission Survey

The Love Letham project aims to make Letham the best place for children and young people to grow up.

We need YOU!

The Young People's Commission is doing research into where young people feel safe or unsafe in Letham and why they feel this way. If you live, work or study in Letham we would love to hear from you. We are specifically interested in spaces outside your home - parks, community spaces, and shops.

Prizes!!!

As a thank you for sharing your thoughts with us, all those young people who live, work or study in Letham and complete a survey will have the chance to win £20 vouchers. To be entered into the prize draw, please see Chris Forber in Room 44 to give your name. We will only use this information to contact you if you have won.

About you!

It is up to you if you want to take part in the survey. You can change your mind and stop taking part at any point. Details about you will be kept private.

The information and ideas you give us in the survey will be used by Love Letham to understand where and why young people feel safe when out and about in Letham. This will help us target the areas where young people don't feel safe and improve them.

You can access the survey via this QR code or this link

<https://forms.gle/ewvnvaySqqPEXf8v7>

It should only take 10 mins to complete. If you have any questions about this survey please contact sarah@northernstarassociates.co.uk

APPLY TODAY

APPRENTICESHIP APPLICATIONS NOW OPEN

Build your career, building for the future.

We have fantastic opportunities for apprentices of all ages, in an interesting fast-paced work environment. You will use your skills to build, fabricate, fix, repurpose and refurbish anything from ships to wind turbines.

You will complete your level 2 in general engineering operation, learning a range of skills then move on to level 3 in a specialist trade such as Welding or Fabrication.
