S2: The dates for Estates That Educate

The dates for this are May 15th and 22nd. In past years, this has been a superb day out of school engaging in fun activities related to the type of work undertaken on sporting estates. May seem a long way off but if you're interested in this then please give your name to Mr Letford asap.

Senior pupils: Pre-Apprenticeship work placement with WRB Gas

WRB Gas is taking on an Apprentice Gas Engineer this summer and is offering one pupil a work placement prior to advertising the apprenticeship. The hope would be that the placement goes well, and that young person would be recruited into the role after a successful interview and entry-level skills test. Due to the nature of the work, pupils will be required to demonstrate competency in Maths. Pupils who are interested should submit their application no later than 12 noon on Friday, 9th February and very informal interviews will follow thereafter. To apply:

All year groups: Traditional Music

If you can play – or are learning to play – a traditional instrument such as fiddle, accordion, whistle, piano, guitar (acoustic or bass), keyboard, banjo, bagpipes, etc, please speak with Ms Quither or Ms Bebbington in the first instance about a school ensemble.

Mr. Letford, DYW

Scripture Union

Perth Academy Scripture Union meets every Wednesday during lunch time in Room 37 (Mr. McCleary's Room in the English Department). It's open to anyone in S1 - S6. We explore what the Bible says and its application to Life. Either come along at 1.13pm with your packed lunch or have a quick lunch and join us asap. For the first five weeks of this term, we shall be looking at well-known Bible stories from Primary School and asking what they mean for a teenager. This week - Is the parable of the Good Samaritan just a nice story or an example I need to copy?

You can be sure of a warm welcome.

Mr. Gill
