UHI Perth Open Day

UHI Perth is holding an Open Day next Saturday from 10:00-14:00. These Open Days are always popular and allow visitors to speak to staff about studying in September or starting a Schools/College Partnership course in June. Prospective students can participate in a guided tour around the campus, speak to lecturers, current students, and the Students' Association, and hear more about the wide range of courses to help you choose the right study option. In addition, you can learn about the student support services and additional support teams, funding options, and can get help to fill out an application.

You do not need to book a visit. Signage from the main car park will direct you to the Webster building and the welcome desk team will signpost you.

In addition, as part of the sector-wide 'Big College Open Week', UHI Perth will hold a series of talks about college life on Thursday, 21st March from 14:00-16:00.
