

## INFORMATION SHEET – MONDAY 24<sup>th</sup> JUNE 2024

### Routes into STEM Face-to-face

Routes into STEM is an experience that provides an amazing opportunity to help students understand the different routes to further STEM education and career pathways.

#### Who is it for?

Students in S3 and S4 who are interested in finding out more about STEM careers.

#### What is involved?

- A three-day experience at STEM educational providers and STEM companies local to them
- Students will explore STEM careers, participate in interactive workshops, site tours and hear from young professionals

#### What are the outcomes?

- Gain first-hand information and experience hands on activities at STEM educational providers and companies to make informed decisions about their future
- Go on campus tours and get thinking about future studies in a mature and informed manner
- Speak with apprentices/graduates about their experiences
- Develop valuable skills such as presentation skills, team-building, and social skills, and see how they can be applied to their CV, Application Form or Personal Statement
- Become a Bronze Industrial Cadet

#### What do our students say:

*"I enjoyed being able to engage in big projects in a comfortable environment"*

*"The tours gave me a better idea of the environment I would be working in"*

100% felt confident about the STEM career opportunities available to them after completing the course

100% of students would recommend the course to a friend or family member

## SCOTLAND'S REWILDING EVENT

Taking place on Saturday 14 September at Perth Concert Hall, the [Big Picture Conference](#) brings together a diverse group of people united by a shared commitment to nature recovery. Join us for a fun and fulfilling day of presentations, learning opportunities and rewilding discussion.

The inspirational line-up of speakers will cover a range of topics around this year's theme of 'Why Not Scotland?'. They include Christopher Preston, Duncan Halley, Mary Colwell and Jenna Watt, with a deep-dive Q&A session with Flo Blackbourn and James Shooter.

The University of Edinburgh is confirmed as the main sponsor in 2024 and will join other exhibitors at the event.
